Are you full of creative ideas with no outlet? Some idle time on your hands? Could you use more purpose in your life? The perfect opportunity is right here.

December will be the last month that I will produce the newsletter. A new Newsletter editor for FL1-F2 is needed as of January, 2022.

Benefits include learning or improving your publisher skills, being recognized, and staying in the know of what's going on. You can do it for as long or little as you like. For me, it's time to chase some different adventures.

So, who will be the next one for me to pass the baton to?

There is an interesting article in the District Newsletter this month regarding the use of copyrighted images in our newsletters. We should be covered by the Fair Use Law, but another district got fined for a photo of a group of Harley Riders they used. The problem comes with the ability to identify if an image is copyrighted or not.

Chapter Director's Message

Ralph A. Lambert

Hello Everyone!! We are all looking forward to the Georgia Ride -In in Dillard GA, September 16th through the 18th – which by the time you read this will have already happened. Here's hoping it went well for you. LOL... Lots of other events happening so checkout the calendar and website..

As you all know I am stepping down as CD. So, we need a replacement. We are one of the larger and more active chapters in Florida so we certainly have someone who is willing and able to do this job. Please consider taking it for a two year term – don't view this as a competition with my record or that you will be stuck with the job forever. View it as something fun to do for whatever timeframe you wish to do it. The CD has a tremendous influence on what the chapter does. It is a very gratifying job and a very doable job and lots of folks will help you. I will help you. We have a great team and many of them will stay on, if the new CD desires them to do so. The CD position is appointed by the District Director (Bill and Cheryl Smith) – by the way they are excellent District Directors and extremely supportive of their CD's. Anyone whom I recommend for the CD's job will be interviewed by Bill and Cheryl. When I interviewed with them four years ago I was immediately impressed with their professionalism and friendliness. So come on and step up... I will help you in any way that I can. Thank you for your support – past and present!!

Registration is OPEN: for the First Aid/CPR class on October 30th at the YMCA. Please contact Marion Duncan to sign-up. If you recall we had this class scheduled back in March of 2020 and had to cancel it due to COVID. So, call Marion right away to get into the class. We also have a Motorcycle Tech Day planned at Steve and Sophie's home on October 23rd – so pencil that on to your calendar too.

Our Christmas Party will be happening December 11th – with a Pot Luck Dinner and CRAZY Gift Exchange. We also have another Hot Dog Cookout planned for January 2022. Date to follow on the Hot Dog Cookout..

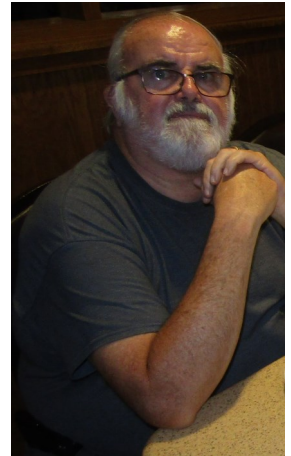

We have many events happening around the District along with our own happenings and these events can all be accessed via our website: www.fl1-f2.org. Steve and Sophie have done a wonderful job of updating our site and including links to all the surrounding District Websites. So – you should be able to find any information you are looking for from our own site. We are also offering a prize of five Gold Wing Tickets if you locate your GWRRA number on our website and contact Steve within the time limit. So, go have a look and if you find your GWRRA number call Steve right away and tell him where on the site you found it. You have until the start of the September Gathering to contact him in order to win.. No cheating folks – if you find the number and it is not your number – don't say anything.. But please do enjoy all the nice things that are on the website.. If you have something to sell we have a "For Sale Section" – call Steve to find out how to get your items for sale posted.

I have the chapter stock of Gold Wing Tickets should you need more.

Checkout the Chapter Calendar of Events and Come and Join Us For Some Great Fun!

Membership Enhancement GWRRA September Anniversaries Fred Spoering

Hello Everyone, Hope everyone is doing ok and staying healthy. I had a busy month in August and September. We were up in Maryland, visiting my Daughter, Son in Law and Granddaughter for two and a half weeks. Came home August 26th. Then got a call from NY, A long time friend of mine passed away so drove to NY September 3rd and got home September 9th. We have some nice rides scheduled for October with more lunch rides. Have a nice month.

Dominick & Diane DeSiato District Rider Educators Level's Classes Available

Florida District Riding and MFA Classes are available upon request to maintain you Levels status. For ARC and TRC Classes contact Dominick at Dominickflde@gmail.com. For MFA Classes contact Claudia at rvega19854@gmail.com.

We conducted an ARC Class on July 27th in Ocala. Six members attended. It was hot with a “feels like temperature” of about 100. When I rode home the TPMS screen on my bike showed that the temperature of my rear tire was 116 degrees. We scheduled that class on that particular date because that was the date the members attending requested. I would prefer to conduct the outdoor riding classes in the cooler months. I think we should wait until October to resume. Currently we will be limiting the size of the Riding Classes to only 6 motorcycles, as I am the only available ARC Certified Instructor in Florida at this time. If we acquire another ARC Certified Instructor we can increase the size of the classes to as many as 12 motorcycles. The same restrictions apply to the TRC Classes.

The procedures for requesting a class will be conducted in the following manner: A Chapter Director or CSEA can survey their group to see which of their members want to take either the ARC or TRC. They should also decide on a tentative date for the class. This information is to be forwarded to me so I can check on the availability of a riding site. If all is agreed upon, I would then want the CD or CSEA to collect and hold a \$30.00 deposit which is refundable upon completion of the course. If a Chapter does not have enough members to fill a class I will advertise the Class on Group Works to get enough members to fill the Class. I also take individual member requests which I will keep in a file pending enough members to fill a class.

Florida is in need of Rider Instructors for both the ARC and TRC Riding Courses. I have been teaching Riding Classes for 25 years. It has been both rewarding and fun to teach these classes. You, as an Instructor will learn invaluable safety information and riding techniques that you will pass on to your fellow GWRRA Members. If you are interested in becoming a Rider Instructor please contact me and I can advise you how to proceed. There is a GWRRA Rider Instructor Course scheduled for November 17th -20th, 2021 in Athens, AL. If you are interested please contact me as soon as possible. Space is limited and paperwork must be submitted in a timely manner to qualify.

We are here to assist you with your training needs.

PLEASE say an extra prayer
for all our Chapter Members

Please keep Barb Funk and her daughter, Dawn Luper, in your prayers.

Barb's son in law, James Luper, passed away from complications of Covid. Jim and Dawn both had their Covid shots and still contracted this horrible virus.

Barb requests if you have not had your shots, get them now. Her son in law was a huge advocate for being vaccinated and still couldn't beat this because of underlying health issues.

Please keep Val and Ron Rooble in your prayers.

Val was taken by ambulance to West Marion Hospital with Covid.

Prayers are needed for both Paul and Jane Davis who have contracted COVID. Paul is (was?) in the hospital and on oxygen. He is improving and in good spirits. Jane is home and has much less serious symptoms. ..

Cheddars Dinner by Dorothy Serio

A few of us met at our local Cheddar's restaurant for dinner on Wednesday,

August 11th. There was Ralph Lambert, Marion Duncan, Andy Katz, Mary Wilcox, Barb Funk, Dan Lindsey, Jim Serio and myself.

What started out to be the promise of a good meal left us all very disappointed. The only positive thing about the evening was the friendship, good conversation, good drinks, a few laughs and a good time.

Unfortunately, the meals fell short of our expectations and left most of our party a little disappointed. We all did enjoy the tasty rolls that was served to our table. they were light, fluffy drizzled in honey butter and would almost melt in your mouth. Yum!

Sad to say but most of the meals had some aspect that made our night out a rather unpleasant experience. Oh well, you win some and some you don't want to repeat.

Needless to say we all agreed that this was one of the places that we would not be adding back on to our calendar. We do, however, look forward to our next dining experience!

Ride to the Rose Garden in Astor

Submitted by Ralph Lambert

On Sunday, September 5th at 8:30AM - Eight of us left the Lowes parking lot on a ride to The Rose Garden Restaurant in Astor. Attending were: Myself (leading), Jayne and Alan Van Tol, Andy Katz, Craig Goodwill, Dan Lindsey (Sweeping), Barb Funk, and Marion Duncan. Joining us in route were Al and Alana Forte and joining us at the Restaurant was Marion's sister.. So, we were eleven total... I had contacted the restaurant in advance so they were ready for us. It was a delightful morning so we opted to sit outside.. The waitress was a delight – cracking jokes and making menu recommendations.. It had been awhile since we had seen Al and Alana and also the Van Tol's so it was great to catch up with them. I think everyone ordered breakfast – I had the French toast which was terrific.. I think Barb had the blueberry pancakes and Alana had pancakes with nuts in them. All of it was very good and we will definitely come back to this watering-hole again.

The route from Lowes to Rose Garden is a direct shot across SR 40 which frankly is a boring ride. Both Mike and I have looked at other routes that would be more fun to ride.. Because we were hungry we did just a short loop along 7th St. (CR 314) before getting on SR 40 and booging-on to the restaurant. Took just under an hour to get there. For the trip back home I had put together a route down SR 19 to CR 42 and across to SE 182nd St Rd and then back through Ocklawaha and around Belleview on 92nd Loop. I think folks liked the route because I had several requests for a copy of the route. For those who know me – I always write out the route I want to take and often include some way points in the GPS... Yeah – I am OCD – came with the rest of the gene pool? Lol..

Anyway – we were a colorful lot today. I have a Silver 2015 two wheeled Wing, Craig has a Yellow Wing Trike, Jayne has a Blue and Silver Wing Trike and Alan rides a Red 2016 two wheeled Wing. Andy was in his Blue and Orange Custom painted Slingshot with Dan following on his Black Wing Trike.. You can't miss us coming down the road.. LOL.. Our groups are normally larger than today's group but folks are still traveling on vacation and many won't be back to Ocala until after the Georgia Ride-in..

It was a great ride, great food, conversation, and company..
You need to come on out and join us. We always have fun!!

Angelos
Mohan Arneja
Aka: Moe

Sunday 22nd Ride to Angelo's Pizzeria in Inverness, I led the ride (since I knew the back & scenic road). with Jim as a sweeper using 66 Ave to 475 to 44 then merging into 41 to our destination.

They weren't busy with the rustic ambience of the wooden floor. It turned out none of us had been there before. It took them a minute to set up the table and we were served promptly.

6 bikes, 1 canam, and 2 slingshot with 10 souls. portions of food were very generous, because most of us asked for a doggy bag. lol...food was great,

All of us enjoyed conversation at the table. The ride home was short, in number as well, since some decided to go to the Chocolate factory in Wildwood.

Jayne Van Tol

The day was overcast and inklings of possible showers but that didn't stop the 20 members from meeting at the Shell station for a great ride lead by Dan Lindsey. We had a total of 12 bikes/trikes, 3 cars and like I mentioned 20 people. The people that came along for this ride were Ralph Lambert, Marion Duncan, Andy Katz, John and Dorothy Serio, Bunny O'Neal, Michael Schroder, Neal and Kathy Rehse, Fred and Joanne Spoering, Kirstie and Sar Ventresca, Jim and

Terry Van Sant , Moe Arneja, Mel Harris, Dan Lindsey and Alan and Jayne Van Tol. Before the ride we had a moment of silence at 0958 in observance of when the first tower was hit on 9/11/2001. We managed , with a large group, to get through all the traffic lights together except one light. This was due to great team work and our ride leader. we made the trip in great time even 30 minutes before they opened!

Crump's landing was a true delight! Starting with the atmosphere, the great service by Amy our waitress for this large group, the food and of course the company!! We all left with bellies full, bladders empty and vowing to return!! The return trip back we did managed to find a few sprinkles but it did nothing to dampen our great day!

Thanks again to Dan for leading our way!
