Chapter Directors' Message

Ralph A. Lambert

I want to start by wishing everyone a Merry Christmas and a Happy New Year! If you celebrate other special occasions during this time of the year then Happy Holidays to you as well (whatever the occasions might be). Christmas was always the most special Holiday of the year at our house. As kids it was about Santa and the presents but as I grew up the Christmas holiday remained special but for different reasons. It was the time of the year when we all got together – family and friends and there were lots of parties to go too and lots of socializing – and just a lot of FUN!! See - it has always been about the FUN!! Even the strictest office policies were relaxed as the Christmas Office Party Time approached. Even now as a retired person -- I go back home to Maryland for two weeks at Christmas to visit with family and old friends and to have FUN. I am having lunch or dinner with someone special (family member, friend, or former work colleague) every single day that I am there. I am really looking forward to it too... (I will be back in time for Shrimps R Us) - LOL.. I hope your holiday plans are a ton of FUN too!!

I want to thank all of the Chapter Members for their extremely generous Food Bank Donations. Dan and Mike spent twenty minutes just loading the car with all the donations. Outstanding generosity on the part of our WONDERFUL CHAPTER MEMBERS - THANK YOU!! And the needy thank you too..

Cathy's Beautiful Handmade Quilt will be raffled off tonight. The winning moment is almost here. It seems like we have been holding up this quilt for all to see and offering tickets in exchange for a donation for months now. Actually, it has been months. LOL... Well, someone will win this beautiful quilt tonight!! We also want to Thank Cathy Stuart for all her hard work in making the quilt and in leading the charge to sell the tickets. Thank You – Cathy!

While I am thanking people – let me thank Harold Brown for his over the top efforts to sell Gold Wing Tickets. Every time I quote a number - Harold corrects me and tells me how many more tickets he has sold. At this point, he has sold over 2,000 Gold Wing Tickets - YUP that is all by himself. Way to go Harold!! Remember, Gold Wing Ticket sales pay for our Rider Education Program and more – so please see Rose if you need more tickets to sell. At this point, as a chapter, we have sold over 4,000 tickets – That is 1,000 more than last year and we are not done yet!! Thank you everyone and keep up the great work.

Well, The Christmas Party is finally here (tonight) and it promises to be a blast. Thank you again to all the contributors of the delicious food and all the tireless hands that set-up for this wonderful event. We may not be youngsters anymore but we can still throw one heck of a PARTY!!

Checkout the December and January Calendars for all the fun events we have scheduled and come on out and join us! Take Care, Have Fun, Ride Safe and Happy Holidays!!

Rider Ed's Message

Rick & Pam Northrop Senior District Educators

If I only knew how to sing I would break out in happy song but..... that's not going to happen, sorry. I don't want to hurt anyone's ears. So, I'll just wish you all a very Merry Christmas and a very, very Happy New Year! I trust you will have a safe, joyous and blessed holiday season!

On Thursday, December 5th there were a group of folks that came together from the Ft Myers and surrounding chapters, that worked together to clean off the range and helped Denis Turcotte and me paint it for the TRC class as well as an ARC class.

We now have it ready to accommodate ARC classes. I am in the process of getting another ARC Instructor to assist Ray Vega to conduct the ARC classes there. As soon as we get a date set for the class it will be posted on the district website as well as notifying each chapter in the area. Please be patient. It is coming.

Pam and I had a surprise visit from our grandson this past week. He is home on leave from the Navy for 14 days. Not only a surprise for us but he didn't tell his mother and we dropped him off at her front door. I thought she was going to kill me. LOL She knew nothing at all about him coming for Christmas. SURPRISE!!

Pam and I do a charity thing every year at this time, we ring the bells for the Salvation Army. It's just the thing we do. While doing it we see some sights as you can well imagine. Some of the worst are the traffic issues. People are not paying attention to their driving. There are so many distractions right now due to all the different Christmas displays, peoples costumes, parades, etc. It is a dangerous time to be out on the roads. Especially for motorcycles! If you are out on your great steed please be extra diligent. Be ever alert! Put your head on a swivel like you never have ever before. Spin it 360. They are not looking out for you so look out for them!

If you want to go out and look at the beautiful Christmas lights please relax and take your four wheeler. Pick a designated driver and switch off so all can see and all are safe. Common sense is the rule. Most of all, be safe and enjoy!

And something that may be furthest from your mind are those raffle tickets but, hey, they could be good stocking stuffers! Might make a gift to mail to friends? Okay, I'm just trying to help. Yes, I do have a few thousand left to get out before the rally. So, if your chapter needs some please let me know and I'll get them to you.

Ride to Homosassa: Marguerita Grille

by: Gretchen Diedrich

Sunday November 23rd started out a little chilly (in the 40's) but soon warmed up as "Goldwing" riders made their way to the Shell station on Rt 200 to gather with others headed our lunch destination. One by one, then two by two, riders arrived and were greeted by Ralph, our chapter director, Sue Sadlon handing out participation tickets and Mike Sadlon taking photos to capture the moments. At 10:30am sharp, tanks full and kick stands up, we lined up and with Fred Spoering,

to

our ride leader, off we went – 8 bikes, 2 cars and 14 people.

The route was pretty simple but the scenery was beautiful--shady countryside, rambling horse pastures with gorgeous homes and best of all, some curvy roads with minimal traffic. It took about an hour and half to arrive at our destination in Homosassa at the Marguerita Grille. We were greeted by the very friendly owner Tom and Leonora

our waitress. The menu has a variety of seafood, beef, chicken and Mexican food, and everything was awesome.

We were told this restaurant was destroyed by fire a few years ago and with the remains of some very long boards they assembled on a wall, they painted an American Flag on the boards. They urged all military customers to sign the wall, which most of our men took part in.

Moe Arneja was the lucky winner of a "Dinner for 2" given away by Tom the owner. Tom is also a comedian and practical joker, so beware of handing him any money if he should ask.

The return ride was also led by Fred and was without incident. Other riders that attended were: Don & Martha

Ford, Ken & Gretchen Diedrich, Ron John, Jim & Dorothy Serio, Bruce Dix and Andy & Katy.

Another great ride with friends and our favorite "GoldWing".

Freezing at The Freezer; November 17, 2019

By Sue Lomax

It was a cold, grey, wet & windy day but, the 7 of us were determined to eat at The Freezer in Homosassa. The leader of the “pack” was Denis & Sue Lomax in their 4-wheeler followed by Bruce Dix on his trike, Mike & Sue Sadlon on their 2-wheeler, Andy Katz in his 4-wheeler & Ralph Lambert our tail gunner in his 4-wheeler.

As usual Mike & Sue were snug & warm from their fingertips all the way down to their buns. Not only did they have their electrical body gear on, they also sat on an electric seat warmer that came with their bike.

Due to the crappy weather the line was short to get into the Freezer & we were able to get a table inside, WOW! Another surprise, we did not have to stand in line to place our orders & we also had a waitress.

The favorites at the table were chicken wings, New England clam chowder & shrimp.

I don't know if you are aware that Sunday is the only day chicken wings are on the menu. It is also the ONLY day Denis will take me to the Freezer.

Denis placed his order for 40 wings in addition to our normal favorites; garlic shrimp, clam chowder & garlic mussels. Unfortunately, the wings were over cooked & dried out. Our waitress Stacy was very apologetic & placed a rush order for another 40 wings. I guess you can't ask for anything better (free would have been better she never mentioned “free” or “on the house”). If she did, she would have gotten a much bigger tip & we might have overlooked the leaky ceiling.

Yeah! Would you believe raindrops kept falling on their head (well maybe not on their head)? Both Bruce & Denis kept dodging the large drops trying to keep the rain out of their food. Denis was a little concerned that his chowder was getting thinner.

As we got up to leave not one of us mentioned the leaky ceiling to the new customers taking our table? Oh well, I guess we all forgot!

We missed you, hopefully we'll see you the next time we go to The Freezer in Homosassa, Florida.

Sue Lomax

P.S. We also have seat warmers in our 4-wheeler, so..... I don't have to put on electrical underwear.

Lunch Ride to Margarita Breeze in Crystal River

Submitted by Ralph Lambert

When we were working on the December Calendar about a month ago someone suggested Margarita Breeze in Crystal River as a “ride to” lunch destination. I don’t remember who suggested it for sure but no matter we put it on the calendar with Mike as the Ride Leader. So this morning, Saturday, December 7th, at 10AM we all starting arriving at the Shell Station on SR 200. In attendance were: Mike and Sue Sadlon (leaders), Dan Lindsey, Bruce Dix (in shorts - lol), Dave Hutchison, Fred Spoering, and me (sweeper). Seven of us – two bikes and four trikes.

Mike announced that he had never been to this restaurant, but he had entered it in the GPS and the GPS seemed to have some idea where it was. Lol... I had also looked it up on Google Maps and was pretty sure I knew where it was too... We called to make sure they were open – always a good idea. So, off we went on what had become a beautiful

morning – cold when we got up, but it had warmed up considerably and was turning into a great morning for a ride. We headed out and our route took us right to the restaurant – the GPS was spot on. Once there we all decided that we had been here before, but it had been many years ago. Now - Margarita Breeze is on the waterfront, specifically Kings Bay off of the Crystal River. We decided to sit outside since the temperature was now 70 degrees. What we didn’t figure on were the birds looking for a free meal. Yup – you guessed it – they would steal your french fries right off your plate if they got a chance. So, we had to watch out and guard our food. LOL... There was also an issue with the birds landing on the rafters over our heads. I’ll let you figure this one out on your own. LOL... This restaurant is a keeper... BUT – I think we’ll sit inside next time.

While we were waiting to be served, we observed some dolphins swimming close to the dock and surfacing periodically. Closer inspection revealed that they were group fishing. YUP – several dolphins would circle a school of fish and chase them toward the center of the circle where other dolphins were waiting to snatch them up. I think there were four or five dolphins involved in this very clever fishing expedition... This was quite an interesting sight to watch. Dolphins are smart critters for sure. Our observing was interrupted by the arrival of our lunch. So we hurried back to the table before the birds got our lunches. Most of us got some kind of seafood dish – and everyone seemed to be pleased with their choices. In short, the food was delicious. We had our usual conversation during lunch – much of which centered-around the adventures that Bruce and Mike and Sue had on the Wingers-N-Waves Cruise this past week. Great tales of zip-lining and lots of laughs.

Since it was such a nice day, we decided to take a ride down the Ozello Trail, a very nice 9.5 miles (one way) of pleasantly curvy roads along the waterfront. Mike led the way - Great ride and great day all around...

Take Care – Ride Safe and Have A Happy Holiday Season!!

The "We Almost Went To Cuba Cruise"

Submitted by Mike Sadlon

On November 30 – December 5, 2019, six chapter members (Mike & Sue Sadlon; Dan Schultz; Bruce Dix; Rick & Amy Jenkins and Amy's mom, Peggy) set sail on the "Independence of the Sea" a 154,000 ton Mega ship caring over 4,500 passengers.

The Royal Caribbean International Cruise left from Fort Lauderdale, Florida to Labadee, Haiti to Falmouth, Jamaica and returning to Fort Lauderdale, Florida. This was a replacement

cruise to replace the cruise originally planned to go to Cuba.

The Wingers-N-Waves travel agency organized the cruise for the Florida District GWRRA. Approximately 35 GWRRA FL members attended this replacement cruise. A special Conference Room was utilized for distribution of name lanyards and information; daily areas for conversation and drinks before dinners; a special group dining area and a special "WE ALMOST WENT TO CUBA PARTY" for mingling, dancing, wearing your favorite island clothing. Door prizes and a special cake and drinks were provided.

I think everyone won some thing (even Dan who said he never wins anything).

The ship had all the activities of a 5 star resort to include water slides, wall climbing, trampoline, wave board riding and wave stand-up riding, ice skating, hot tubs, swimming, to name a few !!!!!

The entertainment was Las Vegas quality to include Musicals, Plays, Comedians, Variety Shows, Ice Skating Shows, and Jugglers.

While in port numerous shore excursions were available. Sue & I went on a Labadee Traditions Excursion and the Ultimate Bamboo Rafting Experience others experienced the Zip Lining (MAKE SURE THE

HARNESS IS CORRECTLY INSTALLED) ask Bruce!

The food and service was OUTSTANDING.

Please join FL1-F2 on our next cruise on the Carnival Legend February 2- 9, 2020 sailing from Tampa Florida. It will be a BLAST!
